INTERCOMM

The deadline for submission for the faculty/staff bulletin InterComm is February 20. Please turn in all story ideas and professional activities in to the Office of Communication Services, Galvin 205 by 5pm on the 20th.

HUG-A-THON

The Crossroads Crisis Center is sponsoring their second annual Hug-A-Thon to raise funds for the shelter. Participants in the Hug-A-Thon (like a walk-a-thon) solicit pledges for the number of hugs they pass out on Valentine's Day. Pledge forms will be available in Carole Enneking's office in Galvin 015. Crossroads Crisis Center is a shelter for abused women and their children. Last year's hug-a-thon was very successful and also a lot of fun. Participants can hand in pledge sheets from 4-7pm at the Alpine Village. A pizza party is planned at the Alpine for all those participating. More information can be received from: Crossroads Crisis Center, P.O. Box 643, Lima, Ohio 45802, phone 228-HELP.

VALENTINE'S DAY

- Carnations will be sold on Valentine's Day by the OSU-LTC Student Senate.

FROM THE SPORTS DESK

The Women's Basketball team is now 7-8 on the season overall and 5-4 in conference play. Next home game is Saturday, February 2 at 1:00 against Bluffton College.

The Men's Basketball team is now 1702 in regular season play and 7-2 in the conference. Their next home game is Saturday, February 2 at 3:00 against Ancilla.

There are still openings in Women's and Men's Tennis; Women's and Men's Golf; and Men's Baseball Intramurals. Anyone interested should see John Stroia as soon as possible.

Any faculty/staff member interested in helping the Athletic Department by coaching Intramural Tennis should contact John Stroia, ext. 281.

The Faculty/Staff Intramural Basketball Team lost their game last Thursday, 60-50. The highlight of the afternoon was Dan Grafner's 17 points.

RANKIN FILE

Anyone who makes a significant contribution to any field of endeavor, and stays in that field long enough, becomes an obstruction to its progress - in direct proportion to the importance of his original contribution.

MIND OVER MONDAY

This Week:

Each of these cards is either black or blue on one side, and each has either a circle or a square on the other side. Which cards must you turn over to get enough information to answer the question, "Does every black card have a square on its other side?" (Answer with the appropriate card letter or letters.)

Alternative Answer to January 14:

Draw the face that should come next in the following series:
